

## Curriculum Vitae (short version) Univ.-Prof. Dr. Daniel Kotz, PhD MPH MSc

---

### Professional appointments and contact details

Professor in general practice with a main focus on addiction research and clinical epidemiology  
Institute of General Practice (ifam), Addiction Research and Clinical Epidemiology Unit, Centre for Health and Society (chs),  
Medical Faculty of the Heinrich-Heine-University Düsseldorf (HHU), Germany  
T: +49-211-81-16327, M: Daniel.Kotz@med.uni-duesseldorf.de, W: www.daniel-kotz.de, Twitter: @daniel\_kotz  
Honorary appointments: Maastricht University (NL), University College London (UK), University of Edinburgh (UK)

---

### Education and training (selection)

PhD degree, Maastricht University, 2008  
Master's degree Epidemiology (cum laude), Maastricht University, 2006  
Master's degree Health Sciences, Maastricht University, 2003  
Diploma Physiotherapy, University of Professional Education Arnhem and Nijmegen, 2000

---

### Management positions and memberships (selection)

Head, Addiction Research and Clinical Epidemiology unit, ifam/HHU Düsseldorf (www.uniklinik-duesseldorf.de)  
Board member and (Past-)President, Society for Research on Nicotine and Tobacco (SRNT) Europe (www.srnt-e.org), 2018-2020  
Co-founder, Netherlands Network of Tobacco Research (www.nnvt.org)  
Member, International Primary Care Research Leadership Programme, Oxford University (www.phc.ox.ac.uk)

---

### Main research interests

Tobacco addiction: effectiveness of behavioural and pharmacological treatments  
Chronic obstructive pulmonary disease (COPD): prediction modelling, early detection, prevention  
Clinical epidemiology: research methodology and reporting

---

### Current major funding programs (selection)

German Federal Ministry of Health (BMG): "German Study on Tobacco Use (DEBRA-II)" (PI: €422,064)  
German Federal Ministry of Education and Research (BMBF): "NRW General Practice Research Network" (Co-PI: €3,750,000)  
EU Horizon 2020: "Tobacco cessation within TB programmes" (Co-PI: €2,999,829)  
German Federal Ministry of Health (BMG): "Training general practitioners in brief stop-smoking advice" (PI: €399,804)  
NRW Ministry for Innovation, Science and Research: "Treating tobacco addiction: new clinical approaches" (PI: €1,250,000)

---

### Contributions to scientific meetings (selection)

Keynote lecture: Society for Research on Nicotine and Tobacco (SRNT) Europe, online, 17-09-2020  
Scientific program committee chair: Society for Research on Nicotine and Tobacco (SRNT) Europe, Munich (D), 06-09-2018  
Scientific program committee: German Society for General Practice and Family Medicine (DEGAM). Düsseldorf (D): 21-09-2017  
Conference co-chair: Society for Research on Nicotine and Tobacco (SRNT), Florence (IT), 08-03-2017

---

### Editorial work and review

Senior Editor of Addiction, 2013-present (www.addictionjournal.org)  
Associate Editor of the Journal of Clinical Epidemiology, 2009-2017, Editorial Board member 2018-present (www.jclinepi.com)  
Expert reviewer for 48 different journals (incl. Lancet, BMJ, Ann Intern Med, ERJ) and 12 different funding agencies

---

### Awards (selection)

Lothar Beyer Research Award of the German Foundation of General Practice and Family Medicine (3<sup>rd</sup> prize), 2019  
Pharmacoepidemiology and Drug Safety Best Reviewer Award, 2013
